- CG593T Trap model, 76 cm barrel, flat rib
- CG597 Ascent Trap model, 76 cm barrel, flat rib
- CG598 Ascent Sporting model, 81 cm barrel, fixed semi-high rib

Invictus: adj. Latin meaning: unassailable, indefatigable, invincible.

DPS relaxation

The new **DPS (Durability, Precision, Speed) trigger** features innovatively designed hammers with new geometry and tighter tolerances.

In addition, the hammers benefit from an industrial chrome plating designed to have a minimum coefficient of friction and allow better lubrication. This makes the trigger mechanism durable, precise and regular.

Invictus Cams

Revolutionary **Invictus cams** do away with traditional trunnions and hinges.

This system makes the Invictus the first double-barreled shotgun that allows the connection point of the barrels and the receiver to be moved. This allows the guns to be moved back to eliminate a potential thunder day.

invictus lock

The **Invictus bolt** significantly increases the locking surface between the barrels and the receiver, incredibly extending the life of the set.

This part is also replaceable, thus multiplying the longevity of the mechanism. In this way, a rifle is obtained which, from the outset, is more resistant and durable, but which in addition can be rebuilt in a unique way among the superimposed ones.

Invictus: adj. Latin meaning: unassailable, indefatigable, invincible.
