- Adjustable Victrix Sporting X Single-stage: standard setting approximately 700 gr (24.70 oz)
- Transport case Explorer Cases cod. 13513
- User manual and welcome kit
- **Scope and bipod not included!**

VICTRIX SPORTING SYSTEMS

We are at the forefront of technology, we strongly believe in innovation, we have been studying from day one new solutions to apply to the components of our firearms.

And this is how our Sporting series was born, our contribution to the sporting field.

We create our systems with an Anima®, to become reliable partners for the best shooters.

We design accurate rifles to put them in the hands of sport shooters who aim for success. Choose from our Victrix Sporting systems, welcome to the firing line.

A benchmark in long range shooting (TLD)

The quality of manufacture and machining of VICTRIX guns make them rifles of very high precision, where only performance counts.

VICTRIX is a must in shooting competitions and in particular the King of 1 mile.

Smooth mechanics, high precision barrel, premium materials. All the components needed for amazing groupings.

Lothar Walther rifled barrel, hammer-forged in special steel, matte black CERAKOTE finish, 1" barrel
