### Compact precision carbine.

Precision weapon used by professional shooters demanding results. The many useful features such as the adjustable heel, the Picatinny side rails for mounting tactical instruments and the possibility of attaching a Versa Pod bipod are just some of the valuable aids for perfect precision shooting.

*The hammering of the barrel gives the outer spiral appearance of the barrel*

*Steyr's specific mouth brake does not lift a cloud of dust*

- Picatinny rail inclined at 20 MOA, special long distance.

Delivered with :
