Gamo air rifle 10 shots with flat magazine and sights!

The Gamo Roadster incorporates the new 10-shot system with automatic reloading by rocking barrel. The new 10x magazine is lighter and more discreet: flat it leaves the open sights open!

In addition, the Roadster 10x is a concentrate of the latest Gamo technologies:

- 10x magazine: rapid fire without recharging
- SWA TM: butt plate with hardness adaptable to the shooter
- RRR TM: recoil-absorbing bezel attachment
- CAT TM: humpback trigger with adjustable starting strokes
- Whisper Fusion TM: quieter dual compartment sound moderator.
- IGT TM: Gas cylinder which replaces the spring for hyper regular shots.

Rifle delivered with 1 10x magazines.

The incredible Gamo Roadster IGT 10X GEN3i has arrived, featuring for the first time a latest generation Whisper Fusion suppressor, Gamo's powerhouse inert gas technology, a new ergonomic synthetic thumb grip and new technology 10x GEN 2 patent pending. This new multi-shot system features our industry-leading horizontal magazine, making it lighter, 25% more compact and more discreet with the inclusion of open sights, allowing for range-free shooting.

Your choice: With this new reloading system, the user can forget about using a rifle scope, shooting with open sights if desired. Additionally, it allows the user to set standard frames, making it compatible with other Gamo glasses.

Improved compactness and lightness: the 10X GEN2 Multishot system was developed considering that a rifle must not only be powerful, but also maneuverable, comfortable and ergonomic, so this new magazine has

been optimized to offer more in less space.

Aesthetics and design: The new generation of Gamo rifles has been designed according to the latest market trends, always maintaining an excellent compromise between usability, ergonomics and design.
